STUDY AT MANCHESTER

POSTGRADUATE COURSES IN OCCUPATIONAL MEDICINE

The University of Manchester is the only institution in the UK providing part-time blended learning programmes for postgraduate education in occupational medicine. The blended learning includes online teaching materials, telephone or web tutorials and face to face seminars. High quality support is provided by honorary lecturers in occupational medicine from across the UK.

Postgraduate Certificate (12 months)

Advanced Diploma (24 months)

MSc (36 months)

These part-time university award-bearing programmes are aimed at physicians who want to study occupational medicine beyond the Diploma level. Participants can progress seamlessly from Diploma to Certificate/Advanced Diploma/MSc on a part-time basis.

Diploma in Occupational Medicine (CPD)

A 6 month part-time programme preparing students for the Occupational Medicine Diploma (DOccMed) of the Royal College of Physicians of London.

Professional Qualifications

Our courses are tailored to meet the needs of students preparing for professional qualifications, such as those offered by the Faculties of Occupational Medicine of the Royal Colleges of Physicians of London and Ireland.

WHAT OUR STUDENTS SAY ABOUT US:

"Manchester is one of the best providers, if not the best, for this programme."

"Focused, relevant and well-taught."

"I would definitely recommend this course to colleagues and friends."

"The best organised course I have attended."

"Blended learning allows me to incorporate the things I learn directly into my day job, and I have the opportunity to discuss problems that I encounter at work with my tutors and peers."
